PATENT TRADEMARK OFFICE

Dear Sir:

Fiber Optic Network Solutions, Inc., a corporation organized and existing under the laws of the State of Massachusetts, having a place of business at 30 Forbes Road, Northborough, Massachusetts 01532, certifies that it is the assignee of the entire right, title and interest in the patent application identified above by virtue of:

An assignment from the inventors of the application/patent identified above. The assignment was recorded in the Patent and Trademark Office on June 20, 2002 at Reel 013021, Frame(s) 0745.

The undersigned (whose title is supplied below) is empowered to act on behalf of the assignee.

I hereby declare that all statements made herein of my own knowledge are true, and that all statements made on information and belief are believed to be true; and further, that these statements are made with the knowledge that willful false statements, and the like so made, are punishable by fine or imprisonment, or both, under Section 1001, Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.
